

TrustCB JPKI-MD Pricelist

Pricelist v1.0, 2025

TrustCB is the dedicated certification body for the JPKI-MD scheme. Below are the standard prices for typical certification projects. Non standard projects are estimated up-front on a case-by-case basis.

Standard TOE types	JPKI Applet	€10.000
	Extra certificate for additional variant with minor impact (only when combined with one of the above)	€1,500
	Maintenance (only when indicated on original application)	€2,000
	Extra evaluation meetings	€2,500
Non-standard TOE types	To be determined on per-project basis	

Typical costs of additional certification activities:

Typical Certification	Meetings	Price
Late rescheduling of remote meeting	1 remote meeting	€5,000
Late rescheduling of in-person meeting	1 in-person meeting	€7,500
Additional evaluation meeting (required if earlier evaluation meeting led to fail conclusion)	1 in-person meeting	€10,000
Additional extended ¹ evaluation meeting (required if earlier meeting led to fail conclusion, with serious issues in evaluation activities performed indicating the project has gone outside of the optimized path)	1 in-person meeting	€12.500

All prices are excluding VAT and subject to the TrustCB general conditions.

¹ If an extra meeting is needed, the project has gone outside of the optimized path hence it will be an *extended* meeting.
